TITLE: ANIMAL REIKI

AUTHOR: ELIZABETH FULTON AND  
 KATHLEEN PRASAD

Reiki, a Japanese word that translates to “universal life energy,” is a subtle, profound, noninvasive healing technique that is just as effective for animals as it is for people. You can learn how to bring the many benefits of this ancient form of energy work to your own companions in *Animal Reiki: Using Energy to Heal the Animals in Your Life*. Written by Reiki masters Elizabeth Fulton and Kathleen Prasad, this new book gives you a complete and comprehensive introduction to Reiki, with step-by-step instructions and photos that show you this ancient healing technique in action.

You'll read first-hand accounts of how Reiki has helped heal the many animals the authors have worked with. As well, you'll learn how your animal can become a participant in the healing process, helping to deepen the bond between you and enhancing your intuition and powers of inter-species communication. Truly an interactive technique, Reiki can improve your own health and happiness as well as your best friend's.

Publisher: Ulysses Press

TITLE: TAILS OF DEVOTION

AUTHOR: EMILY SCOTT POTTRUCK

“If you and your animal could communicate via paper, what would you say to each other?” It's what author Emily Scott Pottruck asked 58 San Franciscan families who share their homes and hearts with beloved animal companions, from cats and dogs to rabbits and birds. The results are compiled in *Tails of Devotion – A Look at the Bond Between People and Their Pets*, a delightful pictorial celebration of the love and joy animals bring to our lives.

Filled with beautiful black and white photographs of people and their animals, including well-known names such as actor Robin Williams and author Amy Tan, the book features handwritten stories by adults and children about their companions. Poignant, imaginative and often whimsically humorous, some of the stories are tributes to the happiness animals have brought to their lives, while others are tales of what their companions might say if they could speak.

To further help animals, all the proceeds from *Tails of Devotion* go to several animal welfare organizations, including The San Francisco SPCA, PAWS (Pets are Wonderful Support), and Pets Unlimited, a non-profit veterinary hospital and shelter.
